Re: Correction: HCBS waiver provider manual
Date: February 27, 2015

On Wednesday, February 25, 2015, the Indiana Health Coverage Programs (IHCP) sent out an announcement, that an updated Home and Community Based Services Waiver Provider Manual was available on the provider website at www.indianamedicaid.com. In review of the manual, it has been brought to the attention of the Division of Disability and Rehabilitative Services (DDRS), that section 6.5: Translating Algo into a Budget Allocation contains the incorrect rates in table 6.2.

The division is in the process of making necessary corrections to this section of the manual. Once the corrections have been made, a notice will be sent out via the DDRS list serve, as well as through IHCP. DDRS would like to apologize for any confusion this error may have caused.
